Fund Is Approved For Construction Of Lake Shortcut

Local Parking Ordinance Slated For Passage By Board

An ordinance providing for two-hour parking on the north side of Commercial Row in Truckee will be given its first reading at the next meeting of the Nevada County Board of Supervisors.

Following a request by the directors of the Truckee-Donner Chamber of Commerce, President N. F. Dolley appeared before the board Monday and proposed the ordinance. Enforcement will be a local problem.

At the same time Dolley requested the board to consider restoration of the old Rocking Stone Tower and Supervisor H. G. Loehr was appointed to investigate and report on the possibilities. If the project is advisable, and there is every reason to believe it will, the sum required will be requested in the next budget.

Loehr said that a public hearing called by the division of highways will be held here March 17 to discuss the possible rerouting of Highway 89 north of Truckee to bypass the proposed Prosser Creek dam, a part of the huge Washoe Project.

BROCKWAY ROAD

The local supervisor also revealed that of the $137,000 available in federal aid secondary road funds, a total of $68,500 had been approved for the Brockway shortcut. In a matching fund program this means that approximately $80,500 will be available during the coming summer. Loehr proposes that the project start at the Placer-Nevada county line and go north toward Truckee as far as the funds will reach.

The division of highways also agreed that steps will be taken immediately to relieve the unsatisfactory condition on High street brought about by the new freeway. A road will be constructed to provide passage down High street for the residents living on the east end of streets now deadended by the freeway project.

BUDGET PROTEST

Judge Fosten Wilson appeared before the board to protest the action of County Finance Director Wallace Brunker in trimming the budget of the Truckee Judical District. The board suggested that the two get together and work out a solution.

Wilson's request for additional office held during the latter part of this month when a burden is expected as a result of increased traffic for the North American Championship ski meet, was held over until the mid-month meeting.

Automatic Signs For Road Advice

The installation of two radio controlled illuminated road conditions signs near Baxter and near Colfax has been completed it was announced by the division of highways today. The installation work was done by Marshall Electric Company of San Carlos at a cost of approximately $19,145.

Highway officials said the signs have been installed on an experimental basis and are intended to furnish motorists with more current road condition information east of the signs. Highway condition signs formerly were manually changed and did not give a true picture of the road condition ahead at all times as such conditions change rapidly in this area on occasion, particularly in the winter.

HAP WARNKES HAVE ADOPTED BABY SON

James J. (Hap) Warnke was passing out "It's a Boy" cigars Monday on the arrival of Mark Jay Warnke, who arrived last week via the adoption route, to brighten the popular couple's home. The newcomer was six days old when he was admitted for adoption and already is in love with his parents and home at Donner Lake.

HOTEL WILL CONTINUE SATURDAY PARTIES

The success which marked the grand opening of the new Alpine Riverside Hotel Saturday night has prompted Manager William Fowler to make it a weekly affair. Each Saturday night, he said, dancing and entertainment will be provided. Scores of guests crowded the dining room and cocktail lounge Saturday for the opening festivities.

AD ERROR

Z Market customers are advised that one of the lead items in today's ad has quite unintentionally placed a premium on Crisco. The ad would have them believe that the popular commodity is selling for 79 cents per pound, while actually buyers are privileged to purchase three pounds for that amount.

Officers Installed At Joint Meeting Of Youth Groups

At impressive ceremonies held at the Masonic Hall Sunday afternoon and evening, officers of the Order of Rainbow for Girls and Truckee Chapter of the DeMolay were installed.

JoAnn VanHooser was seated as worthy advisor for the Rainbow and Carlef Terkildsen was installed as master councilor of the DeMolay. Officers of the Reno Priory officiated as DeMolay installing officers while the grand officers of the Rainbow Girls installed the local officials.

The latter included Lydia Craig, Jude Commagere, Nancy Williamson, Joann Wray, Janice Gray and Renee Hall.

Beside Miss VanHooser, other officers installed were Diane McGihon, associate advisor; Dorothy Corbin, charity; Ellen Rich, hope; Joan Brown, faith; Linda Morrell, chaplain; Penny Hulbert, drill leader; Shirley Hall, recorder; Karoline Malmgren, treasurer; Marcia Graton, love; Blanche Ploff, religion; Donna Barnes, nature; Tina Gruendeman, immortality; Donna Stumbo, fidelity; Nancy Watts, patriotism; Cherry Critchley, service; Margie Mandeville, confidential observer; Carol Hampton, outer observer; Mary Thorwaldsen, musician; Vickie Firpo, choir director.

Members of the choir are Arlene Copeland, Linda Decker, Valarie Mandeville, Donna McRevnolds, Vickie Rich, Cherril Wheeler, Gretchen Gruendeman, Steffie Firpo and Jan Knaggs. Nancy Williamson is the lecturer, the flag bearer, Virginia Peters and the telephone girls Valarie Mandeville, Margie Pearson and Steffie Firpo.

Other officers installed by the DeMolay included John Firpo, senior councilor; Doug Ball, junior councilor; Reg Smart, treasurer; Walter Mandeville, scribe; Marty Kumle, senior deacon; Bob Strickland, junior deacon; Galvin Roberson, senior stewart; Dennis Thompkins, junior stewart; Todd Bales, chaplain; Dave Kettenhofen, sentinel; Michael Terkildsen, standard bearer; Randy Schultz, marshal; Jerry Cinani, orator. The seven preceptors are Merrill Englehart, Ed Hampton, Barry Leamon, Charles Glenn, Terry Walker, Barry Smith and Steven Randall.

A jitney dinner and entertainment in the evening and a dance concluded the affair.

MYSTERY OF LOST CALF IS REVEALED

The mystery of the missing calf has been solved. Deputy Sheriff Emery Lander last night received a call from Bing Dotta of Loyalton who reported he lost the young animal from a load of calves being transported from Roseville to his home. He retraced his route when he discovered the animal missing but was unable to find it.

The calf was discovered by the Ted Franklin children near Donner Lake but despite the nursing it had, could not survive the ordeal of hunger and exposure suffered during the sub-freezing night.

FEE IS ESTABLISHED FOR TRIAL EVENTS

Spectators at the ski and skate trial events at Squaw Valley February 21 and 23 and February 28 to March 3 will be charged $2 daily, it was decided by the organizing committee of the VIII Winter Olympic Games. Tickets will be available at the valley entrance.

No charge will be made for children under 12 accompanied by adults.

Neither will there be a charge of the events at McKinney Creek, site of the cross country and biathlon events. More than 70 athletes from 13 foreign countries will be competing as well as nearly 100 top American hopefuls.

GOLDEN WEDDING IS ATTENDED BY LOCALS

Mr. and Mrs. William Fordham and sons Billy and David returned from Lancaster last week where they had attended a party, feting her parents, Mr. and Mrs. Chester Davenport on their golden wedding.

Their family, close friends and lodge members presented the honored couple with a money tree in honor of the fifty years anniversary.

Mr. and Mrs. James Roach of Woodland visited friends here Thursday.

Misleading Story Prompts Survey Of Olympic Costs

Brown Voices Confidence But Follows Proposal Of Assemblyman

Although expressing a personal belief that the job had been done honestly and efficiently, Governor Edmund G. Brown Friday asked the finance department for a complete and detailed report on expenditures of state funds for the 1960 Winter Olympic Games at Squaw Valley.

The investigation was requested in a letter to the governor from Assemblyman Samuel R. Geddes of Napa County.

In the letter, according to a news story in the San Francisco Examiner, Geddes included no specifics, but said "something needs investigating" and he protested budgeting $3.161,163 for the California Olympic Commission during the 1959-60 fiscal year.

The misunderstanding of the budget figure probably came from a misleading story indicating the amount was being requested in new appropriations and did not explain that it was simply a matter of bookkeeping. The disputed sum consists of the balance approprited previously, plus the anticipated revenue from the sale of tickets, television rights and other incomes.

Members of the legislature, meeting with Olympic officials at Squaw Valley recently were told that un-

Committee Gives Bridge Approval

The senate transportation committee has approved a resolution calling for a low-level, all-year highway spanning the mouth of Emerald Bay at Lake Tahoe.

The resolution was introduced by Senator Swift Berry of Placerville, who pointed out the urgency of the matter.

Plans call for a right of way across the D. L. Bliss and Emerald Bay state parks for a modern two-lane highway.

Construction of the much needed improvement is being bitterly opposed by the division of beaches and parks.

COMMERCE CHAMBER TO MEET WEDNESDAY

A luncheon meeting of the Truckee Donner Chamber of Commerce will be held Wednesday, February 11 at the dining room of the Alpine Riverside Hotel. N. F. Dolley, chamber president, said several important items are on the agenda.

CURFEW ORDINANCE WILL BE ENFORCED

More rigid enforcement of the county's curfew ordinance is promised by officers of the sheriff's department.

It was pointed out that too many youngsters under the age of 18 are violating the ordinance which provides that they be off the streets by 10:30 p.m.

In the future, officers said, violators will be cited to appear in court.

EAGLE RACE IS SET FOR BOWL FEB. 15th

NORDEN — Weather an snow conditions permitting, the first standard eagle race of the season, off Mt. Disney will be run on Sunday, February 15, at the Sugar Bowl.

This race is sponsored by the Sugar Bowl Ski Club and is open to all skiers, both members and non-members.

The Oakland Ski Club championships annually held at Sugar Bowl, will take place on February 28 and March 1 with the downhill Saturday and the slalom on Sunday. A large field of racers is expected.

ASSISTS OLYMPICS

Chelton Leonard, coach of the University of Nevada ski team for seven years has been named assistant sports director for the VIII Olympic games.

On Summit—

Mr. and Mrs. Jim Sherritt returned to Soda Springs from Marysville where he had his teeth extracted.

SUNBEAMS

By WALTER M. BARRETT

We believe that one of the most important projects of the Truckee Donner Chamber of Commerce—and there are many—is the clean-up, paintup program. This region has some of the most attractive homes in the state, but is also has some of the most unattractive, and unfortunately the latter detract from the former to such an extent that casual visitors fail to see the beauty of the places which are kept clean and well painted. Because a house is old does not mean that it should be unattractive. A few gallons of paint, a yard cleared of debris and a shrub or tree here and there does wonders. Shabby fences can be repaired at little or no cost and the debris, such as old automobile bodies, piles of junk and scattered litter can be carted away. The chamber is very anxious to give the community a real face-lifting and the cooperation of owners and renters is being enlisted to accompolish this end. It may be surprising how values increase on houses in a neat, orderly community. The chamber stands ready and anxious to help and a planning decorator will be imported at no cost in the spring to assist. It should be a matter of personal as well as community pride, to make the town as attractive as possible. As the chamber president, N. F. Dolley, recently said: "This may be an old town, but that doesn't mean that it has to be a dirty town." Let's all work to make this a more attractive community, and let's start now.

Lieutenant Governor To Judge Carnival

Lieutenant Governor Anderson has accepted an invitation to be one of the judges at the carnival to be staged at the Veterans Memorial Building here Saturday night highlighting the annual visit of the Bay Area Ski Federation. Truckee Post of the American Legion, as in the past, will host the federation at the hall and the public is invited.

The lieutenant governor will be accompanied by Mrs. Anderson.

Kehlet Is Appointed On Compact Group

The appointment of George Kehlet of Meeks Bay to the California-Nevada Interstate Compact Commission, was announced yesterday by Governor Edmund G. Brown.

Kehlet, owner of Meeks Bay Resort and one of the most informed residents on water problems, will replace Franklin Rahbeck of El Dorado on the commission.

All other members of the commission, including Cecil Edmunds of Truckee and William Bechdolt of Tahoe City, were reappointed. Other California members are Leland Charlebois of Topaz, Col. A. Barton of Sacramento and Hubert Bruns of Gardnerville.

Governor To Study Park Plan In Squaw

SACRAMENTO — (CNS) — Gov. Edmund G. Brown said he was "looking into" the possibility of the state's condemning private land now in Squaw Valley, site of the 1960 Winter Olympics, with the entire area to be operated as a state enterprise.

Brown told a press conference he was not prepared to tell how this could be done or whether the land could be condemned.

"But I am looking into that too because we put an awful lot of money into this," Brown said. "I don't object to any private individual making any money, but I want to be sure that California gets its full share of what we put into this thing."

Brown said that "after it is over with, all of the people of the state of California should share in the truly magnificent winter sports facilities."

Local Cagers Drop Two More Games; Travel This Week

Douglas, Lovelock Wallop Wolverines In Two League Games

By JOHN FIRPO

"Hot and cold" were the words best describing the Tahoe Truckee Wolverines last weekend as they dropped ballgames to teams almost 4 games apart from each other in "A" conference standing. Douglas was the first to claim a victory to the tune of 53-45 and Lovelock followed suit with a 45-28 decision. Both losses dropped the Mountain Men to 6th in conference standings with one win and five losses while they slipped to 4-7 overall for the season.

Friday the Wolverines had to cope with the Tiger's six feet-seven inch center, Hans Boeving. Although Boeving didn't start the contest he finished up with 30 points for the night. Truckee jumped off to an early lead, racking up a 10-2 edge before the Douglas coach, Earl Jarrett, sent in his big man Boeving. Boeving picked up five points in the remaining four minutes to give his team seven points total to the Wolverines 12. TnT couldn't contain the big man in the second quarter and the visiting Tigers took command, 25-18 at the intermission. Douglas took up the lead after the half and were never headed despite a Wolverine rally in the final stanza which saw the home team get within five points, 49-44. The Mountain Men could only manage a single point while the visitors rung up a 53-45 victory.

Saturday the locals traveled to Lovelock to play the sixth place Mustangs who they had defeated earlier at Truckee. This night was another story though as the Mustangs were out for revenge. They led 9-6, 15-8, 27-23 and finally 45-28.

Tahoe Truckee was in one of their cold streaks the whole game and never fully recovered until the third quarter when forward Bob Merica sank five field goals to help the Wolverines close the gap at the conclusion of the period, 27-23. This was in a losing cause as the Mountain Men could only

TALENT PLAY HERE PROVEN SUCCESSFUL

Around the World in a Daze, the musical comedy staged as a benefit for the Donner Fire Department by the women of the auxiliary Friday and Saturday, proved to be an outstanding affair. Both nights, the Veterans Memorial Building was well filled and fun was enjoyed by all.

The auxiliary expressed its thanks for the cooperation of those who made the play possible. While the amount of money gained from the production was not immediately announced, it was believed to be well worthwhile.

MRS. HORMAN WINNER OF PRIZE AT MART

Mr. and Mrs. Dan Horman returned from a recent resort buyers mart where Mrs. Horman was singled out to receive one of four awards presented at a breakfast attended by 1200 persons, held in the Biltmore hotel at Los Angeles.

Mrs. Horman was pleasantly surprised at winning the grand prize and pictures were taken of her being presented with the gift.

Has Navy Discharge

David Cook, son of Mr. and Mrs. A. B. Cook of Truckee was discharged from the Navy last week after serving more than four years in various parts of the world. He and his wife are now visiting the Cooks here before returning to their Carmichael home.

GETS JAIL TERM

Joseph St. Clair, 62, of Truckee, was arrested for being drunk. Pleading guilty before Judge Fosten Wilson of the Truckee Judicial Court, he was given a 60 day jail sentence. He has been sentenced on similar charges before.

FINE OR JAIL

James T. Sanderson, 56, a San Francisco electrician, arrested by the CHP on a drunk driving charge was fined $263 or ordered to jail for 52 days when he appeared before Judge F. W. Wilson.

Program Planned For PTA Founders Day February 9th

The 62nd birthday of the national P. T. A. organization will be celebrated Monday evening February 9th, at the regular monthly meeting of the Truckee Elementary School P. T. A. A Founders Day birthday cake, appropriately decorated, will be served following the program.

Featured attraction will be an evening musicale, with young musicians from the elementary grades as performers. Instrumental numbers will be presented, and the P. T. A. is also pleased to announce that the dance studio of Miss Rene Hall will present a repertoire of ballet and novelty dances.

Items on the business agenda will be the report of the nominating committtee, who will announce the nominees for officers for the coming year. The election of officers will be held at the March meeting.

The program for the evening musicale follows:

1. Dance: Diana Fair, Joyce Smart, Denise Clepper, Diane Rose, Joan Apple, Jeannie King, Donna Horman, Margaret McLane and Sharon Ford.
2. Piano Solo, Monty Straub.
3. Dance, Karol Sauby.
4. Violin Solo, Timothy McLane.
5. Second Grade Rhythm Band and Chorus, Director: Mrs. Winifred Scott.
6. Piano Solo, Bruce King.
7. Dance, Sandy Ferdinand.
8. Piano Duet, Bob and Marcia Leamon.
9. Dance, Pam Horman, Jennifer O' Bear and Kathy Campbell.
10. Piano Solo, Jonathan McLane.
11. Dance, Debra Pratt, Sharon Ford, Donna Horman and Diana Fair.

Reception Group For Games Named

A ten-man civic Olympic committee has been formed to aid in the promotion and organization of the 1960 Olympic Winter Games at Squaw Valley in an announcement made today by the organizing committee president, Prentis C. Hale.

The new committee will be headed by John L. Starratt, proprieter of the general merchandise stores at Tahoe City, and a member of the organizing committee. Also named members of the new Tahoe group were: Carl Bechdolt, Jr. and Gordon Moyer of Tahoe City; Ray Fellows, Carnelian Bay; Frank Fox, Reginald Smart and Frank Snyder of Truckee; Jackie Jensen, from Crystal Bay; Chris Kuraisa, Heavenly Valley and Bob McMahon Tahoe Pines.

Among other duties, the group will assist the organizing committee with the reception and entertainment of distinguished guests; the planning of banquets, balls and parades, and the selection of appropriate decorations for the area during the period of the Games.

NEWCOMERS MEET AT TRADEWINDS JAN. 28

KINGS BEACH—The last meeting of the Tahoe Squaws was held January 28, at the Tradewinds in Kings Beach. A forth-coming spring variety show was the main topic for discussion. The next business meeting is scheduled for February 11, with John McGlade, Tahoe Forest Hospital administrator, as speaker.

HOSPITALITY CENTER STAFFED BY WOMEN

TAHOE CITY — The Women's Club of Tahoe is staffing an information and hospitality center for the North American Olympic tryouts to be held at Squaw Valley February 21 through March 3.

The hours are established for the center from 9 a.m. until 7 p.m. although the location and telephone number will be announced at a later date, Mrs. James Martin said.

LEAVES ESTATE

Mrs. Irma Phleger Pollock McClatchy, a summer resident for many years at Lake Tahoe, left an estate of $3,587,402. This included property at Lake Tahoe valued at $75,000.

EXECUTIVE OFFICER

AUBURN — Edward J. Teidemann of Sacramento has been employed as assisant executive officer of Placer County at a salary of $7,500 a year.

Dr. Nelson Named On Medical Staff Of Olympic Group

Truckee Doctor Will Play Leading Role In 1960 Medical Task

Dr. Laurence D. Nelson of Truckee has been named an assistant medical director for the VIII Olympic Winter Games, Robert L. King, executive director of the Organizing Committee, announced today.

In his new position, Dr. Nelson will give leadership to the organizing committee's definitive medical care program. Definitive medical care is care for patients after they arrive at the hospital.

Dr. Nelson also will be responsible for establishing liason between the organizing committee and the physicians practicing in Squaw Valley-Lake Tahoe area.

In 1952, Dr. Nelson was the only doctor at the scene when the train, "City of San Francisco," was stopped by an avalanche at Emigrant Gap. At the request of Southern Pacific Railway Company officials, Dr. Nelson reached the passengers on the train by means of dog sled, snow shoes and a "snow cat".

Later that year, Dr. Nelson went on active duty with the United States Navy for two years and served as medical officer on the USS Bon Homme Richard, USNS Colins and USNS David C. Shanks. During this period he performed over 30 major operations at sea.

Dr. Nelson, 38, is a graduate of the College of Medical Evangelists in Loma Linda. He interned for a year at the Glendale Sanitarium and Hospital. Dr. Nelson completed his pre-medical studies at Riverside Junior College and La Sierra College in Arlington.

Dr. Nelson's medical affiliations include membership in the Placer-Nevada - Sierra County Medical Society, California Medical Association, American Medical Association, California Academy of General Practice, American Academy of General Practice, California Public Health League, Western Association of Railway Surgeons, and American Association of Railway Surgeons. In addition to his Truckee office, Dr. Nelson also serves on the staff of the Tahoe Forest Hospital.

He and his wife, Alberta, a graduate nurse, are parents of two boys and one girl.

In accepting the appointment, Dr. Nelson made it clear that he will continue his local practice when his duties with the organizing committee permit but that in event the duties with the latter organization demand his time, advance notice will be given his patients.

HOOPER SENTENCE IS IS SET FOR FEB. 11th

AUBURN, Placer Co.— Superior Judge Leland J. Propp today accepted the guilty pleas entered in the judical district court by Berton G. Hooper, Lake Tahoe contractor, and set February 11th for hearing a probation report and pronouncing sentence.

Hooper pleaded guilty of one count each of grand theft and forgery, admitting he had used money advanced him for work on Our Lady of the Lake Catholic Church in Kings beach for high living in Tahoe area resorts. He had been employed to surpervise the construction of an annex to the church.

GRASS VALLEY MAN IS FINED AS DRUNK HERE

Russell T. Martin, 34, Grass Valley businessman, arrested on a drunk driving charge last week following a collision between his car and a truck at Hirschdale, was fined $263 when he appeared before F. W. Wilson in the Truckee Judicial District Court. Martin was arrested by the California Highway Patrol.

TRUCKEE STUDENTS VISIT UNIVERSITY

Six students of Tahoe-Truckee High School were guests of the ATO Fraternity house at the University of Nevada Monday. The students were treated to lunch and shown around the campus.

The trip was to introduce the students Tim Johnson, Craig Robinson, Steve Cowan, Rex Donaldson, Gary Holbrook, Buzz Trainor, and Marty Kumle to college life. Five of these students are scheduled to graduate at the end of the school year.

CARD PARTY TO BE HELD BY HIGH PTA

The Tahoe Truckee High School Parents and Teachers Association will hold a card party, Thursday, February 12, at 8 p.m. in the local high school and another in the Kings Beach elementary school building on the same date and hour, for the convenience of the residents of both areas.

Refreshments will be served and awards given and the players may choose their preferred game. Every one is welcome to attend the dual affair.

Brown May Enter Deadlock On Bay Bridge For Tahoe

BY HENRY C. Mac ARTHUR

SACRAMENTO—(CNS) — Governor Edmund G. Brown conceivably can take a hand in the controversy between the state department of public works, and the state division of beaches and parks, over the proposed all-year highway on the west shore of Lake Tahoe, which involves a bridge across the mouth of Emerald Bay.

The possible intervention of the governor was seen at his last press conference, when he clarified a previous announcement that all department heads should clear matters of policy with him before discussing them with the press.

Several newspapermen felt that the governor's announcement would instigate a "gag" rule in Sacramento, but Governor Brown indicated this was not the case. He said he felt that as the elected representative of the people of California, he was entitled to clear matters of policy with his department heads.

NOT "GAG" RULE

Thus, the suspected "gag" rule turned out to be nothing more than the governor attempting to present a unified front with his administration rather than impose restrictions which would have been unacceptable to the press and to the public at large.

This was the question under discussion when the matter of the bridge across Emerald Bay was brought up. The instance was cited as one in which two departments were at logger-heads. The department of public works is for the construction of a low level road, which requires construction of the Emerald Bay Bridge.

The division of beaches and parks, headed by Newton B. Drury, who is either on his way out in a hurry, or will retire next April, opposes the construction of the bridge, falling back on its long-time policy of preserving the "natural beauty" of California scenery even at the cost of convenience and usability of some of these spots by the public of the state of California.

It is a well-known fact that landowners around Lake Tahoe, and business interests, are anxious to see an all-year highway supplant the present dangerous, mountain trail, which takes the public around Emerald Bay. The road has cost the lives of several men who have been killed while attempting to keep it open during the winter, and who have worked on the treacherous dock slides which recently kept it closed the better part of a year.

GOVERNOR WILL DECIDE

Brown said that he would not wish to be precluded from entering the controversy, but that matters up to appointive commissions, such as the highway commission and state divisions of beaches and parks, were generally to be left alone by his office. But if the controversy grows, as it will, the governor wants to be in a position to step into the fray and make some move toward settling it.

Of course, pressure will be applied on Brown by the so-called "bird-watchers", who want the mouth of the bay left as it is. But these proponents of "natural beauty" do not take into consideration the wishes of the great mass of the public using the road, and the wishes of the people who own property around Lake Tahoe and who are paying taxes to support the El Dorado and Placer county governments. Almost to a man, these property owners want a low-level road, with a bridge across the mouth of Emerald Bay which will be a credit rather than a detriment to its "natural beauty."

DISTRICT FAIRS PLAN MORE EXPENDITURES

SACRAMENTO—(CNS) — California's district and county fairs plan to spend more money this year than they will receive in revenue, even including the more than $5 million subsidy granted by the state, which is considered "revenue".

This was indicated in Governor Edmund G. Brown's 1959-60 fiscal year budget, which showed anticipated revenue for the fairs at $15,203,623, and anticipated expenditures, $15,705,967.

At the close of the year, the fairs expect to have a surplus on hand of $7,801,963. More than a third of the so-called "revenue" for the year will come from the state, unless the legislature revises the law to cut out the annual $65,000 gift to each fair.

The district fair in Nevada county at Grass Valley anticipates $92,385 in revenue; $99,545 expenditures, and a balance of $85,744 at the close of the year.

CERTIFICATE OF TRANSACTION OF BUSINESS UNDER A FICTITIOUS NAME

This is to Certify that the undersigned are transacting business as a limited partnership under the fictitious name of Donner Summit, Lodge located on Highway U. S. 40 near Soda Springs, Nevada County, California.

DONNER SUMMIT NEWS

BY DONNA POWER

DUMB BUNNY

Sunday an enthusiastic skier in a hurry to get to the slopes thoughtlessly left his late model sedan parked and tightly locked on the east bound Southern Pacific tracks at Soda Springs. At length a chartered passenger train bound for the Rotary meeting at Reno was un able to stop to prevent hitting and damaging one side of the car. To the annoyance of the passengers, the train was held up for 30 minutes and the skier was surely astonished at the sight of his automobile upon his return from a blisful day of skiing.

HOUSE GUESTS

Mr .and Mrs. Bud Zorich of Soda Springs had as their house guests Linda Lucot during her mid-semester break. Linda is a pre-medical student at Sacramento Junior College in Sacramento.

PROSPECTIVE RESIDENTS

Dr. and Mrs. Thomas Reich of Piedmont have announced their interest in purchasing a home in the Soda Springs area. Earlier this year, the couple considered the purchase of a lot in Pla-Vada Woodlands, however, they have since decided to live closer to the winter ski area.

NAHEN KLUB MEETS

The Nahen Klub of the Soda Springs met this Thursday at the home of Miss Power. Cecile Weatherfield was present and is still kniting lovely pink slippers. Barbara Lyddane began knitting a pot holder for her hope chest.

The Northern California Intercollegiate 4-Way Meet held January 30-31 and February 1st at the Sugar Bowl was won by the University of Nevada, with a score of 376.0 total points. University of California came in second with a score of 359.6 points with Stanford placing third and scoring 340.7 points.

HIGHWAY CLEAR

Winter travelers on Highway 40 are always grateful this time of year for the wonderful job done by the 40 crewmen of the California Highway Maintenance Station located opposite the 7135 ft. marker at Donner Summit. Residents of the area are grateful for the consideration shown by equipment drivers for parking areas, walkways, and buildings. Many longtime area residents can recall when the summit road was closed in the fall and did not reopen until the thaw in the spring. Now this station is responsible for the section of the transcontinental highway which stretches from Cisco Grove to Donner Lake gate. This year to make this operation more successful and satisfactory the purchase of a new snowgo rotary type plow was made at an approximate cost of $50,000. The road crew is under the able direction of Leo Quinn who will be recognized by his cigar. A complete and self contained equipment and repair shop is this year headed by Percy Sanner. The station is in 24 hour radio contact with all its units on the highway and the California Highway Patrol.

SKI TEAM

The members of the Sugar Bowl Ski Club had difficulty in running tryouts for their ski team because of poor weather. For this reason the club chose their team members by committee this weekend. They will run only a junior team whose members are: Girls—Mary Helen Reich and Starr Walton Class 1 junior racers, Betty Reich Class 4 junior, Claudice Coreem and Bobby Lerch both Class 3 juniors racers. The boys team will be Ronnie Reich, Tommy Reich and Ted Lerch, all junior Class 2; Skip Remann, John McSwain and Bobby Gester three junior Class 3 racers and Kramer Herzog, a junior Class 1 racer.

SODA SPRINGS

The Soda Springs Ski Corporation has selected the members of its ski team which will run its first race next weekend in the Bee race held in Soda Springs Ski area. Men team members are Ronnie Rau, and Dick Baldalby. Women racers are Pat Robinson and Jeanie Buek.

WEATHER

The area was crowded with skiers over the weekend even though a high wind blew most of the time. The lifts in Soda Springs were open and operating. Donner Ski Ranch had a slight break down in their chair lift Saturday but it was soon repaired. The Magic Carpet leading into the Sugar Bowl was broken. This however did not keep skiers out of the valley. Many skied in while others were able to drive in by automobile.

EXCESSIVE SPEED IS BLAMED FOR MISHAPS

"Ran off roadway" and "excessive speed for existing conditions."

These two phrases dominate the story of California's fatal traffic accidents during the Christmas and New Year's holidays, according to Sgt. Francis H. Snyder, officer in charge of Truckee area of the California Highway Patrol.

"More than 40 percent of the fatal traffic accidents which the Patrol investigated during the two holiday weekends involved a single vehicle that had left the roadway and struck a fixed object such as a tree, or overturned," Sgt. Snyder declared. "In every instance the driver was going faster than was safe under the conditions."

The patrol area commander also noted that more than one-fourth of the fatal accidents during the holiday period were auto-pedestrian collisions. In all but two of these, the pedestrian violated the law, he added.

"Drunk driving caused one-fifth of the fatal accidents, which is less than the average figure," Sgt. Snyder said. However alcohol was an element in one-third of the deaths, in that the driver, while not intoxicated, had had at least one drink prior to the accident."

There were no fatal accidents in the Truckee area during the two holiday periods.

LUNARDI IS NAMED ON 4 COMMITTEES

Assemblyman Paul J. Lunardi of Roseville has been appointed to the following important assembly committees: water (vice chairman), fish and game, transportation and commerce, and public utilities and corporations.

Lunardi said today, "The reason I fought to be appointed to these committees is because they are extremely important to the district which I represent. I feel in this way I can give a broader representation to my constituents. I will do everything I can to be vigilant in seeing that their public interests are protected."

Hours of fog over San Francisco Bay recorded by the Lighthouse Service average only 153 per year.

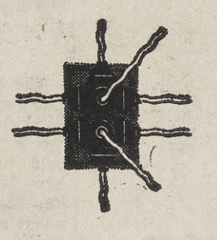
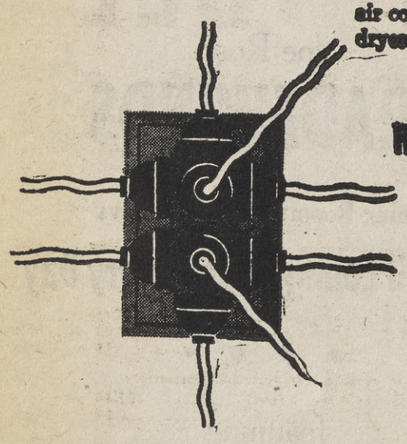
BEWARE of this dangerous house pest!



Inadequatus electricus
(wire bug)

The wire bug infests houses with inadequate wiring. **It thrives** on overloaded circuits... causes fires which **destroy homes** and lives. In its early growing stages, **the wire bug** saps the strength of electrical appliances and lighting. In the adult stage, this pest prevents the use of such comfort-giving appliances as air conditioners, electric ranges, automatic washers, dryers and dishwashers.



How to EXTERMINATE the wire bug
Your electrical contractor can rid you of the wire bug quickly and easily — by stepping up your HOUSEPOWER with adequate wiring.

For Better Living — *Electrically*
Stop up your HOUSEPOWER

Prepared as a public service by Allis-Chalmers Committee on Adequate Wiring.

NATIONAL ELECTRICAL WEEK FEB. 8-14, 1959 A-5900A

Truckee Public Utility District
A Tax Saving Public Service Enterprise

BOAT SHOW WILL BE HELD FEBRUARY 27

Spring will be in the air early this year, when the 15th annual San Francisco National Sports and Boat Show is held February 27 through March 8 in the Cow Palace.

In anticipation of record-breaking crowds of over 250,000 people from all over Northern California and the neighboring states of Nevada and Oregon, the show management is making special preparation to accommodate visitors to the big annual event, which triggers the boating, fishing and camping season for the entire West Coast.

Exhibitors from all parts of the United States and many foreign countries have reserved space which will make this by far the largest number and greatest variety of sports and boat exhibits ever shown west of chicago.

WOMAN LEGISLATOR HITS GAMES COSTS

It is quite apparent that all state legislators are not in accord on the benefits which the 1960 Winter Olympic Games will provide California, Although proof has been shown that the majority favor the vast program.

In speaking before school officials at Auburn recently, Assemblywoman Dorothy Donahue of Kern County warned the school officials that the state budget is in the red.

Miss Donahue carried her cost cutting warning into other fields such as the 1960 Winter Olympic facilities at Squaw Valley.

"We have given them $9,000,000 to put in the facilities," she said. "It is undoubtedly for a good purpose. Yet it's pretty hard to sit there and see children sold down the river because we have to build ski lifts. It's pretty hard to tell kids who can't walk that they won't be able to because we have used the money to build the ice arenas. And it's hard to tell the youth authority we can't provide more funds because we have to build ice places.

The term "vitamin" was first used in 1912 by Dr. Casimer Funk.

NORTH TAHOE

By JUDGE HARRY CHARRISON

WEATHER

For the past week we have had snow flurries and rain with very cold temperatures. Today, Monday at 7 a.m. it was ten degrees—but the sun is shining brilliantly with a little cold wind. The weather man reports nice weather to come. Even though the weather was blustery there were ten to twenty buses up over the week end and the clubs at Crystal Bay were really buzzing. Skiing was also tops by all reports.

MARCH OF DIMES

The March of Dimes Party held at the Crystal Bay Club was the biggest ever. The reports of same will not come out until next week. It looks as though the collections through VFW Post 7077 will surpass that of last year which has topped the nation. Wiley Jones and Gene Faulkner deserve most of the credit. Watch for the report next week. To add to the March of Dimes celebration the Christmas tree on the golf course is still lighted and we hope it will be for the next few months.

IMPROVING

We were informed by Eddie Liddle that his wife, Thelma, is improving in Reno hospital after an operation which we hope has been very successful.

HOME WEEK ENDS

Timmy and Gwennie Mizner spend as many week ends as they can at home, as do many of our local young people who are either away at school or in the service. It is always so wonderful to see them around here.

HAT PARTY

The date for the Ladies' Annual Hat Party approaches. March 2nd at 7 p.m. at the Nevada Lodge. The hats to be worn will be made of kitchen gadgets and of course, there will also be entertainment and the program committee has decided that the Roaring Twenties will be well represented in song, dance and dialogue. We hope that all the ladies of North Tahoe as well as our neighbors from Tahoe City and Truckee will come and enjoy the fun. Make your reservations by calling LIberty 6-3890 or LIberty 6-2131.

LOCALS LEAVING

We are sorry to hear that Eddie and Dot Moore will be leaving. They have sold their home to Al and Gladys Putynkouske—Gladys teaches in Kings Beach School, Al is carpentering. Now Eddie tells us that he has sold the T. V. business at Tahoe Vista to Mickey Freemy from Oklahoma. The new owner will open for business about February 15. He has had TV experience for the past five years. Eddie is going to spend a couple of weeks at Death Valley, enjoying the sun, then will return to clear up business matters and move to Grass Valley about March 1st.

NOTICE OF SALE

Under and by virtue of an execution issued out of the Superior Court of, in and for the County of Alameda, State of California, on the 23rd day of January, 1959, in an action numbered 284798 wherein W. A. Blackford as plaintiff recovered judgment against J. E. Bledsoe and Evelyn V. Bledsoe, his wife, defendants, on the 24th day of January, 1958 for $5682.65 dollars, lawful money of the United States of America, with costs of suit, and commission and fee of levying officer added thereon I have levied upon the following described property, to wit: Real Property in Nevada County, California, described as follows:

Lot 4 in Block A, Donner Woods No. 1 as shown on the map thereof filed in the office of the County Recorder of Nevada County, July, 15, 1958, in Book 1 of Maps at page 90.

Which said real property stands in the names of James E. Bledsoe and Evelyn V. Bledsoe by virtue of deed from Myron B. and Elaine L. Clough dated September 26, 1957, and recorded September 30, 1957 in Book 237 of Official Records of Nevada County, page 261.

And notice is hereby given, that on Wednesday, the 25th day of February, 1959, at 10 o'clock a.m., in front of the Truckee Sheriff's Sub-Station, Truckee, County of Nevada, State of California, I will sell all the right, title, and interest of said defendants, J. E. Bledsoe and Evelyn V. Bledsoe, his wife in and to the above described property, or so much thereof as may be necessary, at Public Auction, for cash in lawful money of the United State, to the highest and best bidder, to satisfy said execution and all costs.

Dated at the Sheriff's Office, Nevada County, this 31st day of January, 1959.

WAYNE BROWN, Sheriff
County of Nevada
By: Elmer Oates, Deputy
F 5-12

LAKE LEVEL

TAHOE CITY — The lake level of Lake Tahoe Monday stood at 6227.31, provisional and subject to revision, with 325 csf of water leaving the gates into the Truckee river. Temperatures have remained cool with the low being 13 and the high 33 during the past week. Only a trace of precipitation was recorded.

ROTARIANS HEAR OF NEEDS FOR COLLEGE

TAHOE CITY—Dr. Charles Armstrong, president of the University of Nevada, told Tahoe City Rotarians and their guests attending the January 27 meeting that unless the Nevada legislature provides sufficient funds for expansion of the college, qualifications for enrollment must be tightened.

He said the state of Nevada has had the largest percentage of increase in population of any other state in the union during the past 10 years and that to provide college education we are going to have to send teachers into rural areas on a part time basis. He said the U.N. has started correspondence courses to relieve the situation to a degree.

The doctor said a new college at Las Vegas with a present enrollment of 800 has relieved the situation but that additional class rooms at the University in Reno, still is a must for, on the basis of increase in population during the past few years through the United States there will be needed by 1970, as many new class rooms as now exist.

In speaking of the race for arms for war supremacy, Doctor Armstrong said, "What ever America is to be will be accomplished by education." Doctor Armstrong, a Reno Rotarian was accompanied by his wife.

Visiting Rotarians attending the meeting were, Dwight Roberts, Lee Apple and Johnnie Richards of Truckee and Willy Jones, Fred Schultz and Earl Gray of Brockway. Warren Poster had James Easton as his guest. Howard Guth introduced the speaker. Bill Bechdolt presided in the absence of President Martin Spitsen.

GUEST MINISTER TO SPEAK AT TAHOE

KINGS BEACH — The Community Church of Kings Beach will next Sunday welcome a guest minister to its pulpit, Rev. Charles A. Silberstein, the pastor of the Methodist Church at Gardnerville, Minden, Nevada. He will be preaching for the first time at the Tahoe church while Rev. Langguth is preaching in the pulpit in Carson Valley, where a campaign of visitation-evangelism is getting under way.

The Langguths returned last week from their annual vacation, and returned to the church in time for last week's service. They spent most of the month of January in San Diego visiting relatives and friends.

Langguth indicates that his Lenten sermons this year will be on the Lord's Prayer.

The first Sunday in Lent will be February 15th.

THIRD AND FOURTH GRADES: We had a foreign country display. The boys and girls who brought things were: Rod Farley, Jill Wurst, Elgin Johnston, Lenny Vind, Kathy Braasch, Karel Sauby, Linda Russell, Bill Rose, and Jack Melugin.

FOURTH GRADE: Class officers for January are as follows: Garee Lynn Stewart, Beverly Holleman, John Goldsmith, Pat Merica, and Bruce King. Responsibility for coat hangers and coat arrangement is the duty of Heidi Euer and Johnny Hiatt.

Outstanding grades in spelling were earned by Darlene Doolittle, Gail Englehart, Beverly Holleman, Tim McLane, Marianne Moore, Craig Mullis, Terri Richards, Garee Lynn Stewart and Bill Waters. In Arithmetic Pat Merica is excelling. Billy Hobbs, John Collier, Steve Weiler, and Darlynn Ingalls did very well in their reading this week. In science, the experiment of John Collier and Mike Grayson with their magnetic automobile created quite a stir. Confusion resulted when Pat Merica, Mike Grayson, and Tim McLane did original research in wheels and pulleys. Most creative was Darlene Doolittle's gingham-clad doll.

FIFTH GRADE: Betty Saarni and Anne Morey are the top social studies students for the fifth grade girls while Larry Digesti and Dave Douglas are the best among the boys.

Dianne Pankoke, remains the top girl dancer in the fifth grade dance program while several other girls Betty Saarni, Joyce Randall, Connie Rhodes are just a few steps behind. Doug Nelson, Ted Daniels, Dave Douglas and Creighton Lund are all bunched together for top boy dancer honors.

SIXTH GRADE: January 30th, we had our semester final arithmetic test. Patti Byrd and Marcia Leamon had perfect papers. Jim Roth, Judy McGwinn and Marcia Leamon have received 100 per cent on all spelling tests this report period.

TAHOE LAKE SCHOOL

FIRST GRADE: Tahoe Lake first graders have started their farm unit in social studies. They are beginning by making a scrap-book of five main breeds of dairy cattle.

SECOND GRADE: The second grade enjoyed a study of the seashore and learned the sources of chalk, coral and sponges. Denise Kimball brought pictures of deep sea fish and various shallow water shell fish.

The highest grades in two-place subtraction were taken by Shirley Stark, Kathy Mockaitis, David Sumners, Mark Sullivan, Jim Orr, and Brent Bradley.

FOUTH GRADE: The following children received "A's" on a 133 word dictation in spelling: Tad Hall, Dick Pomin, Lynn Harper, Darlinda Stark, Paul Sullivan, Kathleen Norton, Tommy Barr, Jimmy Bechdolt, Georgianne Luffy, and John Carnell.

KINGS BEACH SCHOOL

KINDERGARTEN: Last week our class talked about weather and now we are talking about Eskimos. Warren Quartly, Becky Anderson, Michelle Plevel, Martha Pope and Leslie Smith have made totem poles of oatmeal boxes and colored construction paper.

SECOND GRADE: We have been rehearsing for Friday's assembly program. As a verse choir, we are doing numbers.

Nearly everyone in the class received 100 per cent in their spelling test Friday.

This week, we viewed another film on Mexico. In social studies, we are studying about Mexican children.

THIRD GRADE: Individual reading shows the class as a whole is doing quite well. A spelling bee on all words so far left Jackie Hoffman and Lynn Korsun as the champion spellers.

SIXTH GRADE: The students who made 100 per cent in our big review test in spelling were: Carl Brook, Estelle Howell, Katie Schwieger, Bob Holley, Susan Graton and Susan Knapp.

Mrs. Throop, our cook, came in and taught us a little bit of primary colors and mixtures.

The sixth grade is helping in raising money for the seventh grade by having Twirp Day and Sadie Hawkins Day.

SEVENTH GRADE: We did not have a movie Friday night because of the annual benefit buffet dinner and dance at the Crystal Bay Club. From what we hear, they had a nice turnout and a wonderful time was had by all.

The movie this past week was "The Clown", with Red Skelton. Next week, February 10th, we will show "The Day the Earth Stood Still".

On January 27, a student council meeting was held in Mr. Wing's classroom about an amendment in the constitution. The amendment is that kindergarten through the third grade will not vote in the coming elections. It will be taken up in our next student body meeting.

NOTICE OF SALE

NOTICE IS HEREBY GIVEN that Truckee Public Utility District, a body politic, will sell at public sale to the highest bidder, at the offices of said District. Commercial Row, Truckee, California, at the hour of 10 o'clock A.M., on the 26th day of February, 1959, the following described property situated in the County of Nevada, State of California.

A portion of the N. E.¼ of section14, T.17 N., R.16 E., M.D.M., Nevada County, California further described as follows:

Beginning at a point on the southwesterly line of the County Road from Brockway to Truckee, from which point the East one-quarter corner of section 14, T.17 N., R.16 E., M.D.M., bears S79° 41' 20" E 1969.19 feet; thence from the point of beginning, along the southwesterly line of the road, N 58° 29' W 440.24 feet; thence leaving the road, S 88° 04' 26" W 263.14 feet; thence S 1° 55' 34" E 242.63 feet; thence N 88° 04' 26" E 630.50 feet to the point of beginning.

Contains 2.489 acres.

Said sale shall be made on sealed bids, to be received by said District on or before and open and decleared at the time and place specified above, and the terms of sale shall be not less than the sum of $3.000 cash, and all expenses of sale, including cost of recording, title insurance, if any, revenue stamps, preparation of documents, shall be borne by the purchaser.

Said District reserves the right to reject any and all bids and to waive any irregularity or any informality in the bidding or in any bid received.

TRUCKEE PUBLIC UTILITY DISTRICT

BEE TROPHY RACE IS SCHEDULED SUNDAY

SODA SPRINGS—Northern California and Nevada skiing enthusiasts are busily forming teams for the purpose of entering the 13th annual running of the Bee Ski Team Trophy Race at Soda Springs February 8th. A team consisting of two men and two women may enter the competition.

Jim Winthers, head of the ski school at Soda Springs and director of the race, has stated he expects a record turnout for the giant slalom. Thirty three teams entered last year's race. The courses, one for the women and another for the men, will be laid out with sufficient challenge for the advanced skiers yet with safety in mind for the less experienced skier. The race is a "fun-for-all" competition.

Awards in the form of pins go to members of the top five teams and the swiftest man and woman of the day.

The name of the winning foursome will be engraved on the black and silver trophy which resides each year in the clubhouse of the victorious squad.

Entry blanks may be obtained by contacting Winthers or Max Williamson, manager of the Soda Springs hill. Entries will close February 7th at 8 p.m.

Many quicksilver deposits in California are associated with serpentine.

Sea urchins are also known as sea eggs, sea biscuits or king's crowns.

FENCES, WALLS ARE ORDERED REMOVED FROM PUBLIC LANDS

AUBURN — Placer County Supervisors ordered private fences and walls removed from a 1,500 foot long beach in the Woodvista Subdivision, Lake Tahoe, as the first step in reclaiming the beach for public use. The board ordered the beach staked with non removable markers and marked with signs proclaiming the property to be public.

Three road areas leading from State Route 89 to the beach, now blocked off by houses and fences also were ordered staked and marked as public rights of way.

The action was the supervisors' first overt step in their 18 month long battle to reclaim public beaches from what they declare is encroachment by private owners.

FOLLOWED SURVEY

Their action was prompted by a report from surveyor Norman Andregg, hired by the county last year to survey the beach.

His map shows a strip of lakefront 1,500 feet long and from 60 to 120 feet wide criss-crossed by fences and spotted by houses. Supervisors claim the land as county property.

The board declared owners of the houses which are wholely or partly on the disputed beach will not be required to remove them at the present.

Tempory encroachment permits were ordered issued to these house owners and to remain in force until the board determines if all of the land is needed by the public.

BLOCK RIGHT OF WAY

However, other improvements which block the right of way were ordered removed.

"Next spring we'll probably have to go in and actually construct a road through there." said Supervisor Chairman L. L. Anderson. "We'll have to tear up some lawns and barbecue pits to open up the area."

Board members have indicated many other beaches at Lake Tahoe are in dispute, especially in the Carnelian Bay area. They said they expect to have these beaches surveyed, and if found to be public property, ordered cleared of private structures.

District Attorney Al B. Broyer told the board yesterday landowners who protest many sue if they desire.

Estimated population density of the earth is 50 per square mile.

RECEPTION PLANNED FOR NEW MINISTER

TAHOE CITY — Immediately following the prayer service at St. Nicholas Episcopal Church Sunday at 11 o'clock, a reception will be held at the church for the new pastor, Rev. Stanley Welsh who has arrived from Eureka to take over the pulpit.

The affair is being arranged by the Women's Guild of which Mrs. Leonard Bury is head. All members of the congregation as well as others are invited. Refreshments will be served.

BOARD MEETS

A regular meeting of the Governing Board of the Tahoe Truckee Unified School District will be held February 10 at 8 p.m.

NOTICE OF TRUSTEE'S SALE NO. 23132

On Monday the 16th day of February, 1959, at 11:00 o'clock a.m., of said day at the main entrance of the County Court House, Nevada City, County of Nevada, State of California, John L. Larue and Ralph Colburn, attorneys in this matter for the trustee, the undersigned, Inter-County Title Co., a Corporation, will sell at public auction to the highest bidder, for cash, in lawful money of the United States, all payable at the time of sale, the following described real property, situated in the County of Nevada, State of California, and described as follows, to wit:

DESCRIPTION

All that real property situated in the County of Nevada, State of California, described as follows:

The North half (N½), the Southwest quarter (SW¼) and that part of the Southeast quarter (SE¼) of Section 17, Township 17 North, Range 15 East., lying Northerly of a line parallel with and distant 200 feet Northerly of the center line of the main track of Central Pacific Railway Company as now constructed over an across the Southeast quarter (SE¼) of said Section 17.

EXCEPTING THEREFROM all those certain pieces or parcels of land described as follows:

PARCEL NO. 1: That piece or parcel of land conveyed by Sierra Club, a California corporation, by deed 2632-F, dated March 18, 1937, described as follows:

Commencing at East quarter (E¼) corner of Section 24, Township 17 North, Range 14 East, thence easterly parallel with and distant North 341.00 feet from East and West centerline of said Section 17, a distance of 801.00 feet thence South 641.00 feet; thence West parallel with and distant 300. 00 feet South of East and West center line of said Section 17, a distance of 801.00 feet to west line of said section 17; thence North along West line of said Section 17, a distance of 641.00 feet to place of beginning, and containing an area of 11.79 acres, more or less.

PARCEL NO. 2: That piece or parcel of land situated, lying and being in the Southeast quarter (SE¼) of Section 17, described as follows:

Commencing at the point of intersection of the Northerly right of way line of the Central Pacific Railway Company, with the Southerly right of way line of the State Highway, which point is opposite at right angles Northerly and distant 200 feet from the center line of original main track at Engineer's Station 12-04.93 and from which point of commencement the section corner at the Southeast corner of above mentioned Section 17 bears South 2° 45' 40" E. 759.50 feet; thence from said point of commencement North 81° 37' 55" West along the Northerly right of way line of the Central Pacific Railway Company a distance of 364. 93 feet; thence continuing on said Northerly right of way line on the arc of a curve to the left of radius 1018.64 feet, which arc is subtended by a chord bearing South 89° 51' West 301.74 feet; thence leaving said Northerly railroad right of way North 9° 37' 50" West 47.73 feet to a point on the Southerly right of way line of State Highway; thence Easterly along said southerly line of Highway on the arc of a curve to the right of radius 1160.00 feet which arc is subtended by a chord bearing North 87° 44' 18" East 302.31 feet; thence continuing along said Southerly Highway line on the arc of a curve to the right of radius 960.0 feet, which arc is subtended by a chord bearing South 73° 12' 10" East 385.16 feet to the point of commencement and containing an area of 0.712 acres, more or less.

PARCEL NO. 3: That part of the Northeast quarter of Section 17, described as follows:

Beginning at the Northeast corner of said Section; thence South along the East line of said Section 2140 feet; thence West at right angles 660 feet; thence North at right angles 2140.00 feet; thence East at right angles 660.00 feet to the place of beginning, containing 32.43 acres more or less.

PARCEL NO. 4: That part of the Southeast quarter (SE¼) of said Section 17, lying South of the State Highway right of way North of the Northerly right of way line of the 400 foot Congressional Grant right of way of the Central Pacific Railway Company, said tract is more particularly described as follows:

Commencing at a point on the Northerly line of the aforementioned 400 foot railroad right of way which point of commencement is radially opposite Northerly and distant 200 feet from the orginal center line of the Central Pacific Railway at Engineer's Station 5-96.60 and from which point of commencement the Southeast corner of said Section 17 bears South 40° 46' 30" East 1070.86 feet; thence from said point of commencement, Westerly along said Northerly line of said 400 foot railroad right of way on the arc of a curve to the left of radius 1018.64 feet which arc is subtended by a chord bearing South 77° 40' 13" West 130.14 feet; thence leaving said Railroad right of way North 9° 37' 50" West a distance of 46.26 feet to a point in the Southerly right of way line of State Highway; thence Easterly along said South line of State Highway on the arc of a curve to the right of radius 1160.00 feet, which arc subtended by a chord bearing North 77° 02' 03" East 130.26 feet; thence South 9° 37' 50" East 47.73 feet to the point of commencement and containing an area of 0.14 of an acre, more or less.

PARCEL NO. 5: A strip of land 25.00 feet in width being 12.50 feet in width on each side of the following described center line:

Begining at a point in the Easterly line of said Section 17, distant South 0° 02' 12" East along the East line of said Section 17 a distance of 891.33 feet from an iron rail which marks the Northeast corner of the Southeast quarter (SE¼) of said Section 17; thence South 58° 01' 34" West 180.52 feet; thence South 73° 49' 49" West 72. 16 feet; thence South 52° 51' 19" West 138.56 feet; thence South 82° 22' 49" West 160.59 feet; thence South 81° 22' 19" West 22.26 feet to a point in the center line of the strip of land described below as Parcel No. 6; thence South 81° 22' 19" West 68.24 feet; thence South 45° 44' 19" West 160.48 feet; thence South 51° 47' 19" West 83.28 feet; thence South 24° 32' 19" West 110. 60 feet; thence South 3° 20' 49" West 78.48 feet; thence South 9° 43' 38" East 106.95 feet to the point of termination of said 25.00 foot wide strip of land.

The side lines of said 25.00 foot wide strip of land are to be lengthened or shortened as the case may be so as to terminate in the Easterly line of said Section 17, and in a line passing through said point of termination at right angles to the center line of said strip of land, also.

A strip of land 50.00 feet in width, being 25.00 feet in width on each side of the following described center line:

Begining at the point of termination of the above described 25.00 foot strip of land; thence South 13° 17' 41" East 87.83 feet; thence South 31° 26' 11" East 57.10 feet; thence South 18° 38' 20" East 148. 05 feet; to a point in the Southerly line of the California State Highway right of way and radially distant Southerly 40.00 feet from the center line of said State Highway at Highway Engineer's Station 11-42. 68 and distant Northerly measured radially 246.72 feet from the original center line of the Central Pacific Railway Company's West bound main track at Engineer's Station 5-53.69.

The side lines of the above described 50.00 foot wide strip of land are to be lengthened or shortened as the case may be so as to terminate in the said Southerly line of State Highway and in a line that passes through the point of beginning of the center line of said strip of land at right angles.

PARCEL NO. 6: A strip of land 15.00 feet in width, being 7.50 feet in width on each side of the following described center line:

Beginning at a point in the Easterly line of the aforesaid Section 17, a distance South 0° 02' 12" East along the easterly line of said Section 17, a distance of 401.59 feet from an iron rail which marks the Northeast corner of the Southeast quarter (SE¼) of said Section; thence South 71° 05' 19" West 20.17 feet; thence South 27° 48' 19" West 185.27 feet; thence North 87° 06' 40" West 102.57 feet; thence South 53° 03' 19" West 109.94 feet; thence South 40° 00' 49" West 268. 62 feet; thence South 68° 20' 49" West 166.88 feet; thence South 3° 36' 49" West 108.35 feet; thence South 48° 31' 40" East 155.68 feet to a point in the center line of the strip of land described above as parcel No. 5; thence South 48° 31' 40" East 83.49 feet; thence South 67° 49' 25" East 67.55 feet; thence South 55° 31' 25" East 105.75 feet; thence South 76° 09'25" East 189.28 feet; thence South 14° 24' 04" West 99.20 feet; thence South 71° 04' 34" West 221.00 feet; thence South 32° 13' 34" West 66.40 feet; thence South 6° 59' 04" West 220.27 feet; to a point in the Northerly line of the State Highway right of way radially distant Northerly40.00 feet from the center line of said Highway right of way at Highway Engineer's Station 14-30.37.

The side lines of the above described strip of land are to be lengthened or shortened as the case may be so as to terminate in the said Easterly line of said Section 17 and in the said Northerly line of said State Highway.

PARCEL NO. 7: A parcel of land in Section (17), Township Seventeen (17) North, Range Fifteen (15) East, described as follows:

Starting at a concrete monument established by the State of California Department of Public Works, Division of Highways, said monument being located upon the Southerly right of way line of State Highway 11-Nev-37-C (U.S. 40) 40 feet at right angles from the Highway Engineer's Station 7-95.7 E. C. as shown on Division of Highways plans III-Pla. Nev. 37-G-C sheet number 11 of 17 sheets dated September 21, 1936, and from said concrete monument the section corner common to Sections 16, 17, 20 and 21, aforementioned Township and Range bears South 55° 45' East distant 1312.74 feet; thence (from said concrete monument) North 20° 16½' West distant 80.00 feet to a point located upon the Northerly right of way line of said Highway, said point being 40 feet at right angles from Highway Engineer's center line station 7-95. 7 EC; thence South 67° 28½' West distant 89.50 feet to the point of beginning, said course and distance being sub-chored of a curve to the left following the Northerly right of way line of said Highway (the basic curve having a radius of 1140. 00 feet, delta of 23° 34½') thence from said point of beginning, North 26° 27' West distant 100.00 feet; thence South 63° 02½' West distant 75.00 feet to an iron bolt (1. S. 2395) and Northwest corner of parcel; thence South 26° 57½' East distant 96.65 feet to a point of intersection with said Northerly right of way line, said point of intersection intersecting aforementioned basic curve; thence, following said curve (to the right) to the point of beginning, the sub-chord being North 65° 35½' East distant 75.00 feet, the parcel containing 0.165 acres, more or less, bearing of the description agreeing with aforementioned highway bearings.

PARCEL NO. 8: A parcel of land located in Section Seventeen (17), Township Seventeen (17) North, Range Fifteen (15) East, described as follows:

Starting at a concrete monument established by the State of California Department of Public Works, Division of Highways, said monument being located upon the Southerly right of way line of State Highway III-Nev-37-C (U. S. 40) 40 feet at right angles from highway engineer centerline station 7-95.7 E. C. as shown on Division of Highways plans III-Pla. Nev. 37-G.C. sheet number 11 of 17 sheets dated September 21, 1936, and from said concrete monument the section corner common to Sections 16, 17, 20 and 21, aforementioned Township and Range, bears South 55° 45' East a distance of 1312.74 feet; thence (from said concrete monument) North 20° 16½' West distant 80.00 feet to a point located upon the Northerly right of way line of said highway, said point being 40 feet at right angles from highway engineer's center line station 7-95. 7 E.C., thence following the Northerly right of way line of said Highway bearing North 69° 43½' East distant 25.00 feet to an iron bolt, Southwest corner and point of begining of the parcel herewith described, thence from said point of beginning departing from said highway right of way line, North 20° 16½ West distant 200.00 feet to an iron bolt; thence North 69° 43½' East distant 75.00 feet to an iron bolt and Northeast corner; thence South 20° 16½' East distant 200.00 feet to an iron bolt and point of intersection with said highway right of way line: thence following said highway right of way line bearing South 69° 43½' West distant 75.00 feet to the point of beginning, containing 0.34 acres, more or less. Bearing as shown in this description agreeing with aforement highway bearings.

PARCEL NO. 9: A parcel of land located in Section 17, Township 17 North, Range 15 East, described as follows:

Starting at a concrete monument established by the State of California Department of Public Works, Division of Highways, said monument being located upon the Southerly right of way line of State Highway III-Nev-37-C (U. S. 40) right angles to highway engineers station 7-95.7 E.C. as shown on Division of Highways Plans III-Pla. Nev. 37-G-C, sheet number 11 of 17 sheets dated September 21, 1936, and from said concrete monument the section cornor common to Section 16, 17, 20 and 21 aforementioned township and range bears South 55° 45' East distant 1312.74 feet; thence said concrete monument North 31° 36' East distant 1302.97 feet to an iron bolt, point of beginning, and Southwest corner of the parcel herewith described; thence from said point of beginning North 69° 52' East 100.00 feet to iron bolt; thence North 20° 08' West distant 75.00 feet to a stake; thence South 69° 52' West distant 100.00 feet to an iron bolt; thence South 20° 08' East distant 75.00 feet to the point of beginning, containing 0.17 acres, more or less. Bearing of this description agree-in with aforementioned highway bearings.

PARCEL NO. 10: All that certain parcel of land, situate, lying and being in the Southeast quarter (SE¼) of section 17, Township 17 North, Range 15 East, described as follows:

Beginning at a rail monument marking the Northeast corner of the Southeast quarter (SE¼) of section 17, South 0° 02' 12" East 401.59 feet along the East section line; thence South 71° 05' 19" West 20.17 feet; thence South 27° 48' 19" West 185.27 feet; thence North 87° 06' 40" West 102.57 feet; thence South 53° 03' 19" West 109.94 feet; thence South 40° 00' 49" West 343. 62 feet to an iron stake marking the point of beginning. Commencing here North 21° 39' 11" West 10. 60 feet; thence North 68° 20' 49" East 100.00 feet; thence South 21° 39' 11" East 50.00 feet; thence South 68° 20' 49" West 100.00 feet; thence North 21° 39' 11" West 39.40 feet and closing to the point of beginning.

PARCEL NO. 11: That certain portion thereof conveyed by the deed dated June 3, 1942, recorded March 8, 1943, in Book "80" of Official Records, at page 369, executed by J. O. Jones and Bertha, Jones, his wife, to Sierra Club, a California corporation described as follows:

Being situate in Section 17, Township 17 North, Range 15 East, and described as beginning at a point 9.3 feet North of the Southeast corner of Parcel No. 1 of the exception described in a deed 3006F from Southern Pacific Land Company, a California corporation, to J. O. Jones, dated October 31, 1940, and found recorded in Book "415" of Official Records of Placer County, at page 8; thence along the Easterly boundry of said Parcel 1 of the exception a distance of 408 feet; thence South 78° 25' East a distance of 1223.5 feet; thence South 11° 35' West a distance of 400 feet; thence North 78° 25' West 1141.8 feet, more or less, to the place of beginning, containing approximately 4.4 acres, more or less.

Parcel NO. 12: A portion thereof conveyed by the deed dated March 15, 1954, recorded March 17, 1954, in Book "193" of Official Records, at page 567, executed by John S. Woodard and Mary P. Woodard, his wife, to Peninsula Ski Club, Inc., a corporation, described as follows:

A portion of the Southeast quarter of Section 1, Township 17 North, Range 15 East, M. D. B. & M., described as follows:

Beginning at a steel pin from which the quarter corner on the East line of Section 17, Township 17 North, Range 15 East, bears North 9° 55' 45" East 1570.06 feet; thence from said point of beginning, North 19° 11' East 69.80 feet to a steel pin; thence North 26° 45' West 60.67 feet to a steel pin; thence South 74° 15' West 92.11 feet to a steel pin; thence South 49° 57½' West 56.74 feet to a steel pin; thence South 66° 45' East 148.45 feet, more or less, to a point of beginning, containing 0.25 of an acre, more or less; together with the right to use for the purpose of egress and ingress to and from the premises herein conveyed, a strip of land 15 feet wide running from the said premises to the public road, now a State Highway and presently known as U. S. Highway No. 40.

PARCEL NO. 13: A portion thereof conveyed by the deed dated May 1, 1954, recorded July 2, 1954, in Book "197" of Official Records at page 412, executed by John S. Woodard and Mary P. Woodard, doing business as Donner Ski Ranch, to Philip Bernard Illerich, described as follows: That certain parcel "E" of land situate in the Southeast quarter of Section 17, Township 17 North, Range 15 East, M. D. B. & M., and bounded and described as follows:

Beginning at a Rail Monument marking the Northeast corner of the Southeast quarter of Section 17, South 0° 02' 12" East 401.59 feet along the East section line; thence South 71° 05' 19" West 20. 17 feet; thence South 27° 48' 19" West 185.27 feet; thence North 87° 06' 40" West 102.57 feet; thence South 53° 03' 19" West 109.94 feet; thence South 40° 00' 49" West 343. 62 feet to an iron pipe stake marking the point of beginning. Commencing here North 21° 39' 11" West 28.10 feet; thence North 68° 20' 49" East 67.91 feet; thence North 40° 00' 49" East 41.89 feet; thence South 49° 59' 11" East 74.21 feet; thence South 21° 39' 11" East 34.57 feet; thence South 68° 20' 49" West 140.00 feet; thence North 21° 39' 11" West 51.90 feet and closing to the point of beginning. The boundries of parcel E as described surround a 50' X 100' parcel of land known as Parcel "D" owned by Philip Illerich. The 2 parcels together comprise 11116.8 square feet of land; the portion to be conveyed by this deed, namely Parcel E, contains 6116.8 square feet, thereof.

PARCEL NO. 14: That certain portion thereof conveyed by deed dated December 19, 1954, recorded October 26, 1955, in Book "214" of Official Records, at page 250, executed by John S. Woodard, a married man, to Sierra Club, described as follows:

Commencing at a stone mound located at the Northeast corner of that certain parcel of land conveyed by deed dated June 3, 1942, and recorded March 8, 1943, in Book "80" of Official Records of Nevada County, at page 369, from J. O. Jones and Bertha Jones, his wife, to Sierra Club; running thence South 78° 25' East 106.26 feet to a stone mound; thence South 34° 00' West 281. 16 feet to a stone mound located on the Easterly boundry of the last mentioned parcel: thence along said Easterly boundary line North 11° 35' East 264.00 feet to the point of beginning, containing 0.32 acres, more or less.

PARCEL NO. 15· Any portion thereof lying within Placer County, California.

Said sale will be made without covenant or warranty regarding title, possession or encumbrance, to satisfy the obligation secured by and pursuant to the power of sale confered in a certain deed of trust executed by John S. Woodard and Mary P. Woodard, Trustors, to Inter-County Title Co., a corporation, as trustees and R. H. Blackford and Clara Blackford, husband and wife and Herstle Jones, Beneficiaries; said deed of trust dated May 1, 1951, and recorded June 21, 1951, in Volume 163 at pages 189 through 194 of Official Records, in the office of the Nevada County Recorder, State of California.

Date of first Publication: January 22, 1959.

STRICTLY STRICKLAND

By Bill Strickland

The Sugar Bowl was the scene during the week-end of the Northern California Inter Collegiate four-way meet. Teams representing Nevada, California, Stanford, Sierra, Chico, and San Jose State were present. In final team standing they finished in the above order.

Junior Bounous, Sugar Bowl Ski School Director, set the downhill and slalom courses on Mt. Disney. Roger Crist of Stanford topped the field in downhill, followed by Dennis MacDonneil of Sierra, Lou Fellows of California, third and Al Grisemer of California fourth.

The slalom results were almost reversed, with Lou Fellows winning by a wide margin. Al Grisemer second, Dennis MacDonneil third and Don Newman of Stanford fourth.

Lou Fellows also was the big winner in jumping—he's quite an all around skier, that boy. Vic Hamilton of Sierra was second, Bill Donahue of Stanford was third and Doug Salter of Nevada was fourth.

All of the colleges were blanked by Nevada in the cross country running. Doug Salter lead the other wolf pack runners by over four minutes over the 5½ mile course. Winning the event in 46:32. Followed by Don Cronin in 50:43, Jon Madsen in 50:50 and Dave Proett 51:46.

Bob Strickland had the difficult spot of trail breaking as fore-runner, but still managed to better all of the racers time, with the exception of Salter by over three minutes. Bob's fore-run clocking was 47:42. Can't help but wonder what his margin would have been, had he had a smooth, packed track.

Walter Haug wants it known that the Class C jumping hill is available for use or practice by any of the teams or clubs, as well as for individual practice. So all you bombers who have wished for a practice jumping hill, here's your chance.

* * *

The Silver Dollar derby at Reno's Slide Mountain provided the final test for selecting the western representative for Olympic team tryouts.

Mammoth Mountain Ski Club captured seven of the fourteen spots.

Reno Ski Club provided three places.

Squaw Valley Ski Club two places.

Sugar Bowl Ski Club one—and Ski Club Alpine in Southern California one.

In our opinion the outstanding performances were turned in by Jimmy Heuga of Squaw Valley and Smiley Tschopp of Squaw Valley. Jim was second in the derby standing being defeated only by Marvin Melville, a member of the U.S.A. 1956 Olympic team. Jim's two slalom runs were near perfect as he tied for first place in slalom with a time of 103.6. Jimmy has a brillant future as a skier in front of him. He could be a team member for quite a while. He is now only a ninth grader and Junior II. From his past record he could be quite a contender in 1960-1964-1968 and 1972, and he will still be only 28 years of age in 1972.

Young, pert Smiley Tschopp carved her niche with outstanding performences in both downhill and slalom. The only others to better her downhill time were Joan Hannah, two time junior national champion, and Linda Meyers, Olympic and F.I.S. team members

Starr Walton ran into tough luck in the downhill, but really stepped on the throttle in the slalom, to capture second place behind Joan Hannah.

The Auburn Ski Club will be the site of a high school and junior point Nordic race, Saturday-February 14 and Sunday-February 15. The same week-end, but a day earlier, Friday—will start the Nevada Winter Carnival's three-day Intercollegiate Meet. Teams are expected to be entered from Colorado, Montana, Utah, Washington, Darmouth, Middlebury as well as the top schools in California and Nevada.

* * *

Also next week-end, Bay Area Ski Federation Winter Carnival. Ski Clubs from the bay area will be competing for individual member as well as club supremacy. All events will be conducted at Squaw Valley. Saturday night club skits and circusing will be held in the American Legion Hall in Truckee.

* * * *

We've had an opportunity to watch some of the try-out officiating of personnel who will be trying to qualifying for posts in the North Americans as well as the Olympics.

Now understand, we are not in any way connected with the Olympic Organizing Committee, or the technical staff. And, our intent certainly is not to discredit the efforts of anyone, but for the life of me, I can't understand why members of the Far West Ski Instructors Association have not been approached to assist in the officiating of the events.

The F.W.S.I.A. has one hundred and fifty members who are not only outstanding instructors, but are also ex-racers and know what to look for. All of them at one time or another, have officiated in, or directed ski meets, and probably have been used in every category from race director to assistant assistants-chief of course-chief gatekeeper-chief of timekeeping - referee - starters - timekeepers you name it, most of them are experienced in any capacity.

Carson White, who has just returned from Sun Valley told me half of the teaching staff of their seventy-five man ski school expressed a desire to attend in some sort of official capacity. Forty from Sun Valley and 70 from the Far West Instructors Association would certainly supply a wonderful crew, and most of these men not only speak the English language, but French, German and the Scandinavian languages as well.

California is estimated to have had 4,150,730 television sets in homes in 1958.

Jones Street from Green to Filbert in San Francisco has a gradient of 26 to 29 per cent.

OLYMPIC TICKET SALE PASSES $300,000 MARK

Early ticket sales for the VIII Olympic Winter Games at Squaw Valley, February 18-28, 1960, passed the $300,000 mark early last week, Clive Becker, organizing committee ticket director, announced today. Becker also said there have been a surprisingly large number of orders for the $200. reserved ice arena season tickets. Ice arena admissions are priced at $200. each for reserved season tickets and $250. each for loge season tickets. These entitle the bearer to a permanent seat in the main stadium for the entire 11 days of the games, and also provide access to the entire Squaw Valley area. The ice arena seats 11,000 spectators.

Other admission prices for the games are $60.00 each for a Squaw Valley season ticket, which entitles the bearer access to all areas of competition except the ice arena, for the 11 days of the games; and $7.50 each for a Squaw Valley daily ticket, which entitles the bearer access to all areas of competition, except the ice arena, for a particular date.

Games officials plan to limit the crowd to 35,000 spectators a day. Becker urged those planning to attend the games to apply for their tickets early. He expects heaviest requests to come during the spring and Summer.

Applications may be obtained from: Ticket Director, VIII Olympic Winter Games, 333 Market Street San Francisco 5, Calif. The actual tickets will be mailed approximately 90 days prior to the opening of the Games, or sometime in November.

The first public museum in America was opened January 12, 1773 at Charleston, South Carolina.

CONCERN FELT OVER WATER FOR TAHOE

RENO — Concern is mounting over studies by a group of weather experts from Salt Lake City, Utah, who estimate even with normal rainfall in the next few months the average inflow to Lake Tahoe will be only 60 per cent of normal.

The experts consulted precipitation figures from September to December last year and said monthly flow over the headwaters average only about 40 per cent normal.

The Carson and Walker River Basins had a measured inflow of less than half normal during the same period. The weather bureau consultants described the situation as "most unfavorable."

They said Nevada must get near record amounts of rain fall to bring water levels "to anything like average" for the season.

SKIER SAFE AFTER RESCUE AT NORDEN

NORDEN—Rescuers dug skier Owen James Fritz of Piedmont from a snow slide using only their hands.

Fritz was caught when new snow gave way as he was skiing at Donner Summit Sunday.

Another skier, James R. Burel of Berkeley called ski patrolman Dave Barr of San Mateo and Tor Arild of San Francisco who rescued Fritz.

Fritz was unable to move in the snow but was able to breath due to a small air pocket.

PLANS ADVANCED TO HAVE PARADE FLOAT

TAHOE CITY—At a regular board of directors meeting held by the Lake Tahoe-Sierra Chamber of Commerce on January 15th, at Crystal Bay Club, Supervisor Warren Dorn of the 5th District, Los Angeles County, attended as a guest of President Robert J. McMahon.

Dorn made the trip up from Sacramento where he attended an hour long conference with Governor Brown of California to stimulate action on smog control and to contact President Eisenhower for legislation nationally in this regard.

Lake Tahoe Chamber has major plans to enter a community float in the Pasadena Tournament of Roses Parade in January, 1960. Their plans are to tie it in with the VIII Olympic Winter Games to be held at Squaw Valley. Dorn, past Mayor of Pasadena, made helpful suggestions to perfect a plan and dedicated his full support. President McMahon and Dorn have been friends for over 20 years and were in the same fraternity in college.

Another of the Lake Tahoe Chamber's plans is to promote a regular issue stamp as commemorative of the VIII Olympic Winter Games.

NOTICE OF SALE OF PROPERTY DEEDED TO THE STATE FOR DELIQUENT TAXES

Date January 29th, 1959

Whereas, I was on the 5th day of January, 1959, directed by the Board of Supervisors of Nevada County, State of California, and there was received by me and filed in my office an authorization of the State Controller (dated January 9th, 1959) to sell at public auction, for cash in lawful money of the United States, certain tax deeded property, public notice is hereby given that unless the said property is redeemed as provided by law, I will on the 3rd day of March, 1959, at the hour of 10 o'clock a.m. in the Tax Collector's Office in the Court House of the County of Nevada, in the City of Nevada, sell as directed the said property for a sum not less than the minimum price or prices set forth in this notice.

The parcel or parcels of property that are the subject of this notice are situated in the County of Nevada, State of California, and are described as follows:

DESCRIPTION

Donner Lake Co's Lakeview Subd. Lot 10 Blk 13. Last assessee: F. J. Chesson. Minimum Price $320.36.

In Donner Lake Co's Lakeview Subd. Lot 8 Blk 14. Last assessee: E. J. Fraser. Minimum Price $224.92

In Donner Lake Co's Lakeview Subd. Lot 1 Blk 20. Last assessee: Gladys B. Sharpnack. Minimum Price $193.50.

Lot 9 Block 13 of Donner Lake Co's Lakeview Subd. Last assessee: Margaret B. Clark. Minimum Price $158.61.

In Donner Lake Co's Lakeview Subd. Lot 2 Blk 25, Last assessee: Vern Elliott. Minimum Price $125.38.

In Donner Lake Co's Lakeview Subd. Lot 5 Blk 19. Last assessee: Vera L. Crawford. Minimum Price $153.07.

If redemption of the property is not made according to law before the first bid is received, the right of redemption will cease.

LAND OWNERS VOTE AT DISTRICT POLLS

All eligible landowners in Nevada County are urged to go to the polls and vote in the Soil Conservation District election on February 10th, by Al Casey, president of the board. Voters must be landowners and otherwise qualified as voters. At the time of the election, voters must sign an affidavit to the effect that they are landowners. These affidavits will be furnished with the ballots.

All of Nevada County is in the Soil Conservation District except portions of the urban areas in and around Grass Valley and Nevada City, and a small area at North Columbia. City of Truckee and the urban areas around Donner Lake excluded. To futher aid the voters, each precinct will have a map showing the exclusions.

Nominees for director are Dr Elbridge Best of Cedar Ridge, Earl L. Dow, North San Juan; Lucy Wells Harrell, Burma Road and Lorin N. Trubschenck of North San Juan. Dr. Best, Mrs. Harrell and Lorin Trubschenck are incumbents. The newly elected directors will serve for four years, their terms expiring in 1963. The terms of President Al Casey of the Wolf District and Paul Leuteneker, Chicago Park, expire in 1961.

Polling places are located at the Higgins Corners Fire Station, Old Indian Springs School house, North San Juan School, Juvenile Detention Home on Highway 49, Chicago Park School, Washington School and the Justice Court, Truckee Polls will be open from 7 a.m. to 7 p.m.

From South—

AUTOMATIC SIGNS
Continued from Page 1

This is the first comparable installation of its kind in California. The signs have been tested before on the Pennsylvania Turnpike.

The signs consist of three lines each. The top line permits the changing of the words Chains, Road and Caution. The middle line contains the words Required, Clear and Closed. The bottom line permits the changing of the words Ahead, Over Summit, and Icy ahead. The words in each line can be changed by radio impulse from the Yuba Gap maintenance station. In an emergency, the changing of of the wording of the signs can also be accomplished by radio from headquarters communication center in Sacramento.

Officials said that, at the present time, the following six messages can be shown by the signs: Road Clear Over Summit, Road Closed Over Summit, Caution Required Icy Ahead, Chains Required Ahead, Chains Required Over Summit, and Caution Required Ahead. When the reading on the sign has been set, a telemeter reports back to the land station at Yuba Gap and Sacramento and shows by a light on an indicator control panel the sign message showing currently on each sign. It is possible, officials said, to carry a different message on each sign as they are independently controlled.

A representative of the manufacturer of the equipment will be present to assist the initial testing, adjustment, and operation of the signs. Highway officials said it may take several days until the final operation of the signs is set.

The division of highways was represented during the construction period by Roy Phillips who served as resident engineer.

Tahoe Council Asks Aid For Program

CRYSTAL BAY — Five hundred business, labor, civic and government leaders from northern California and western Nevada have been invited to help complete organization of the Lake Tahoe Area Council.

Fred Schultz Tahoe Vista businessman and chairman of the Council's executive committee, announced today that questionnaries have been mailed to 500 firms, organizations and individuals asking for opinions on the relative importance of existing problems affecting Lake Tahoe, and urging participation in establishing operational policies and programs for the Council.

The council is a non-profit agency dedicated to the solution of problems which have arisen as a result of the unprecedented growth taking place in the two-state, five-county region surrounding the lake.

Modeled after the successful San Francisco Bay Area Council, the new organization's aim is to unite the many and varied interests that are responsible for, or are affected by, development of the year-round recreation area.

"Cooperation and participation by the people with direct interests in the future of Lake Tahoe are essential if our land and resources are to be developed properly," Schultz stated. "The Lake Area Council is ready to undertake the job of solving some of the problems confronting us, and we want the people affected by these problems to have a voice in the solution adopted."

He urged that the questionnaires be completed and returned immediately so the Council can complete its planning and begin operation. Fifty six business firms, government agencies and individuals have already offered their assistance.

SEARCH FAILS FOR MISSING AIRCRAFT

Search for a two-engine chartered airplane carrying three occupants on a trip from Sacramento to Reno was virtually abandoned this week when no trace of the missing craft had been discovered.

For a while the search centered in the Donner Lake area when residents there reported they heard a plan in trouble Tuesday night. A search of the region failed to reveal any trace and it is believed that the downed plane is covered by snow and that further search at this time will be futile.

The plane was piloted by Lloyd D. Locke, 47, a partner in the charter firm which owned the ship. Locke was a former neighbor and friend of Sergeant and Mrs. Frank Snyder of the Truckee squad of the highway patrol.

Other passengers were believed to be Charles Lutner of San Francisco and Jeff Arken of Los Angeles.

A number of search planes and ground parties scoured the area on the course taken by the missing aircraft but reported no trace.

ROY SHOEMAKER OF GRASS VALLEY DIES

Local friends of Roy Shoemaker learned of his death January 27 at Veterans hospital in Reno.

The deceased was 64 years of age, born at Rough and Ready. He was a brother of Rex Shoemaker of Reno and Mary Longmeyer of Grass Valley.

Episcopal services were conducted last Friday by Hooper Weaver Co. at Grass Valley, cremation followed at Sacramento, interment of ashes at Rough and Ready.

HEART FUND DRIVE TO BE FEBRUARY 15

A goodly number of volunteers have been mobilized by Naomi Rebekah lodge No. 2 and Donner lodge No. 162, I.O.O.F. to call on their neighbors Sunday afternoon February 15 to collect contributions for the Heart Association.

Charles Vind and Dorothy Slack complimented the lodge captains for a good job enlisting the volunteers who will make the door-to-door collection.

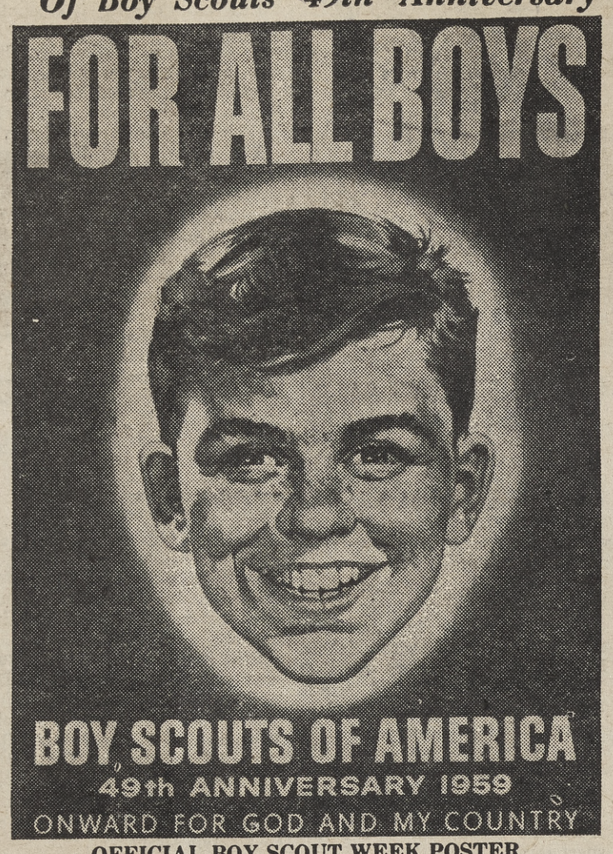
Members of the Odd Fellows and Rebekah lodges in Truckee have been busy since early in January making plans to have 1959 Heart Sunday the best yet.

Contributions received will be turned in to the county heart association to support the heart association's local, state and national program of research, community service and education.

HOSPITAL PATIENT
Miss Elma Hecker, popular Nevada County Treasurer and Tax Collector, entered the Miners Hospital for a few days rest and observation. Miss Hecker's hospitalization followed medical advice after several days of below-par health.

Recovering—
Mrs. Wayne Philippi is reported improving following an operation last week. Her friends are hopeful for her early recovery of health.

'A Scout Is Friendly' Is Theme Of Boy Scouts' 49th Anniversary



OFFICIAL BOY SCOUT WEEK POSTER

The nation's 4,780,000 Cub Scouts, Boy Scouts, Explorers, and adult leaders observe Boy Scout Week, February 7 to 13, by launching the fourth and final year of the "Onward for God and My Country" program.

The 49th anniversary emphasis is "A Scout is friendly."

Through their World Friendship Fund of voluntary contributions the Boy Scouts of America have helped Scouts in 48 other nations.

America will be represented by several hundred Scouts at the Tenth World Scout Jamboree next July 17-26 in Makiling National Park near Manila in the Philippine Islands.

During Boy Scout Week, honors will go to units that successfully carried out projects in traffic, outdoor, and home safety in last year's Safety Good Turn.

OLYMPIC PROBE
Continued from Page 1

der present plans no additional money would be required to stage the games and that very likely some of the revenue could be returned to the state.

Implications that the $3,1616,163 would represent further allocation of tax funds for capital expenditure on the Olympic plan were denied by the governor and state budget officials.

The administration's 1959-60 budget has no tax funds for the Olympics except a $113,930 item to feed, house and support a special highway patrol unit which will be assigned to the area to keep traffic moving during the games period.

Brown said he met with members of the commission before assuming office "and I became satisfied that they are doing an honest job at Squaw Valley, but if there is any question about it at all, and apparently there is, I am going to ask the department of finance to make a full and complete report to me as soon as possible."

WOLVERINES
Continued from Page 1

muster eight points in the closing eight minutes while Lovelock was off to the races and a win.

In the game against the Tigers senior Gary Holbrook played and exceptional offense game collecting 16 points for the high honors. Saturday Bob Merica was most of the Wolverines scoring thrust with 12.

Turning to the prelimiary contest the J. V. "Cubs" also had double losses; First the Douglas Jay Vee 38-36 in a very close ball game and then the Mustang juniors rolled to a 50-25 verdict at home Saturday. The losses were the ninth in eleven games this season for the "Cubs". Mike Robinson and Chuck Bergman tied for high point honors at home with 10 apiece. Bergman also was top gunner at Lovelock with seven.

Tomorrow and Saturday nights the two squads will be on the road at Douglas and Stewart in that order. Douglas is currently in second place while Stewart is seventh in 'A' conference standings.

Cubs At Sierra Sun—
Cub Scouts accompanied by their den mother, Mrs. John Goldsmith were interested observers, Thursday afternoon in the Sierra Sun office.

Business Visitors—
P. Zydner returned from Bakersfield last week to attend to local business affairs.

Alexander the Great was born in the ancient city of Pella.

Book Club Meets

The February 11 meeting of the Great Books Discussion Group is being postponed to February 18. This change in schedule is being made as a convenience to the group and to better assure delivery of materials for the new Fourth Year assignments.

A complete job should need no further expense for the life of the present crop of trees. We specialize in forest sanitation to improve the health and thriftiness and resistance of your trees to ever present hazards. The increasing money values of land in the forest, brings notice to the important factors that contribute to this increase, and indicate more attention to preserving the natural beauty of your property. You may have a cost estimate free, and recommendations by a qualified Forest Technician. You may get this free information now and fit it into future improvement plans.

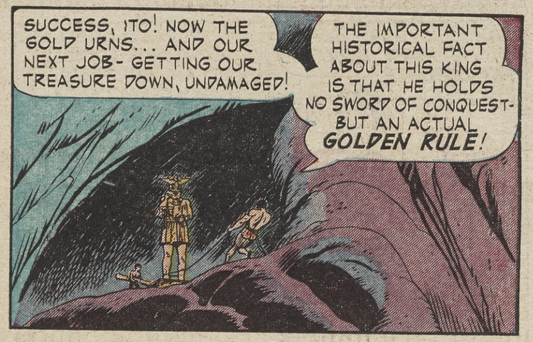
Tarzan®

by EDGAR RICE BURROUGHS

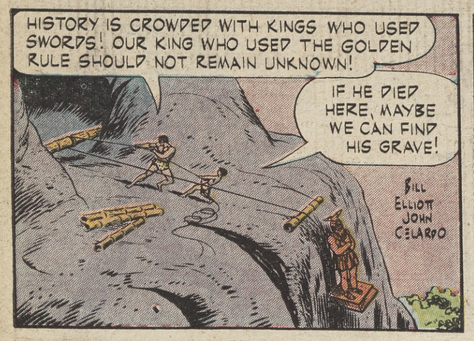
THE ASTOUNDING DISCOVERY OF THE GOLDEN KING— AND HIS GOLDEN RULE

TARZAN AND ITO DISCOVER ANOTHER SECRET STOREROOM AND THE GOLDEN STATUE OF A NOBLE *KING* HISTORIANS NEVER RECORDED.

FATE SEEMS TO GUIDE TARZAN TO GREATER DISCOVERIES IN THE PREHISTORIC CLIFF CAVES.
PUSH BAMBOO ROLLERS UNDER HIM, ITO, AS SOON AS I RAISE HIM- HE SEEMS LIKE A TON OF GOLD!



SUCCESS, ITO! NOW THE GOLD URNS... AND OUR NEXT JOB- GETTING OUR TREASURE DOWN, UNDAMAGED!
THE IMPORTANT HISTORICAL FACT ABOUT THIS KING IS THAT HE HOLDS NO SWORD OF CONQUEST- BUT AN ACTUAL GOLDEN RULE!



HISTORY IS CROWDED WITH KINGS WHO USED SWORDS! OUR KING WHO USED THE GOLDEN RULE SHOULD NOT REMAIN UNKNOWN!
IF HE DIED HERE, MAYBE WE CAN FIND HIS GRAVE!
BILL ELLIOTT JOHN CELARDO

LATER-
WHAT WILL WE DO WITH ALL THESE THINGS?
WE CAN GET MUCH KNOWLEDGE FROM WHAT WE'VE GATHERED- ESPECIALLY ABOUT PRACTICING THE GOLDEN RULE!.. "DO UNTO OTHERS AS YOU WOULD BE DONE TO!"

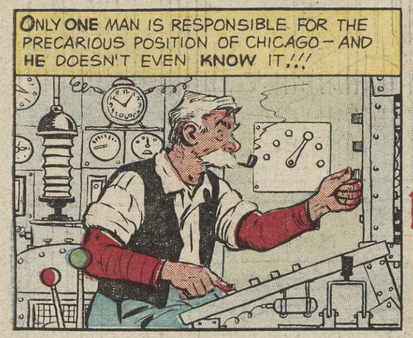
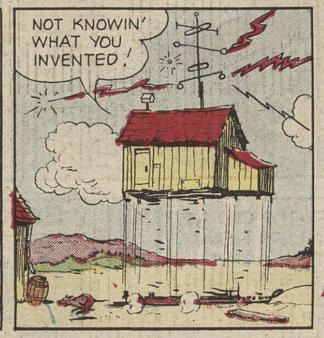
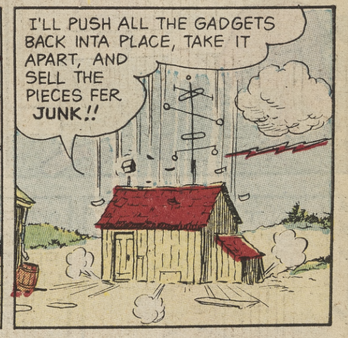
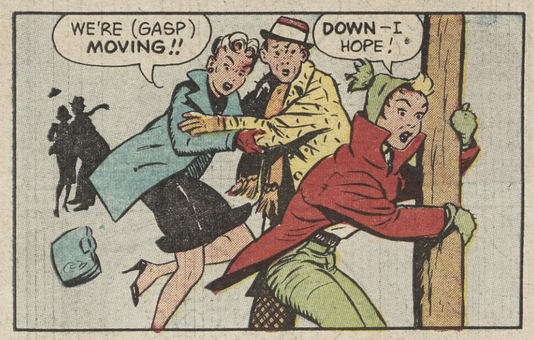
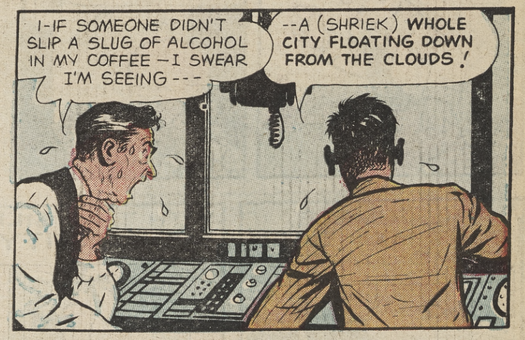
AS A PUZZLED WORLD PONDERS THE QUESTION— WHAT HAPPENED TO CHICAGO—SO DO THE CHICAGOANS!!
HOW (GASP) DID WE GET WAY UP HERE?
M-MAYBE (GROAN) WE DIDN'T RISE— MAYBE—THE REST O' THE COUNTRY SUNK!

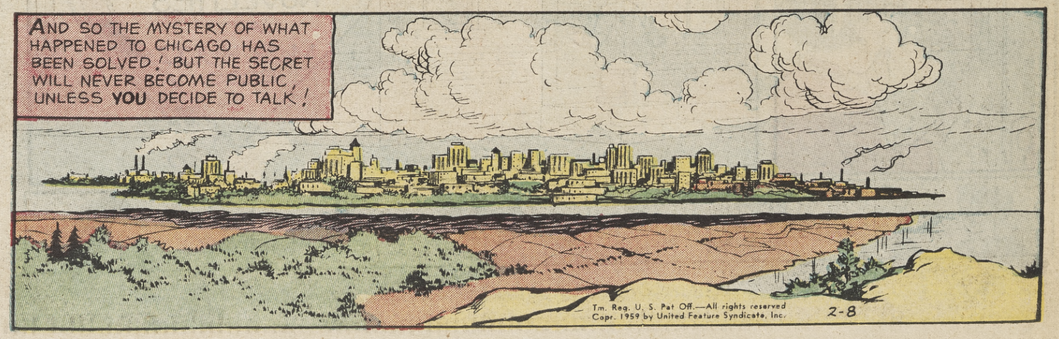












AND SO THE MYSTERY OF WHAT HAPPENED TO CHICAGO HAS BEEN SOLVED! BUT THE SECRET WILL NEVER BECOME PUBLIC, UNLESS YOU DECIDE TO TALK!

Fritzi Ritz

By ERNIE BUSHMILLER

IT'S ALMOST VALENTINE'S DAY AGAIN

I DO HOPE PHIL BRINGS ME SOME **SIMPLE** LITTLE VALENTINE GIFT THIS YEAR.

--AND NOT SOME **BIG, GAUDY** NOVELTY AS USUAL.

$100 FOR THIS TINY WATCH?

YES--AND A SPECIAL HEART-SHAPED GIFT BOX

IT TOOK MY LAST BUCK BUT IT'S A BEAUTY!

YEP--I'M ON MY WAY UP NOW, FRITZI, WITH A LI'L SURPRISE! --IT'S HEART-SHAPED.

EEK! I MIGHT HAVE **KNOWN!**

Happy Valentine to you

PHIL FUMBLE, DON'T YOU **DARE** COME IN HERE--

RING

WITH THAT **SILLY MONSTROSITY!**

?

BUY YOUR VALENTINE NOVELTIES AT McSCHULTZ BROS.

STRANGE as it seems

ELSIE HIX

IT IS IMPOSSIBLE TO MAKE A MODEL OF THE UNIVERSE!

IF THE EARTH WERE REPRESENTED BY A BALL ONE INCH IN DIAMETER-- THE NEAREST STAR WOULD HAVE TO BE PLACED 50,000 MILES AWAY!

A MEDIUM-SIZED MAN HAS DISTRIBUTED OVER HIS BODY A TOTAL AIR PRESSURE EQUAL TO 30,000 POUNDS, OR MORE THAN THE WEIGHT OF 3 GOOD-SIZED ELEPHANTS!

THE "JEFFERSON BIBLE"--

THOMAS JEFFERSON OCCUPIED HIS EVENINGS DURING HIS FIRST TERM AS PRESIDENT BY CUTTING PASSAGES FROM A STANDARD BIBLE AND PASTING THEM IN A BLANK BOOK.. HE CALLED IT "THE LIFE AND MORALS OF JESUS OF NAZARETH"

INFANT BETROTHAL IS THE NORMAL PRACTICE AMONG THE NATIVES IN ARNHEMLAND, AUSTRALIA...

WHEN THE WOMAN IS OLD ENOUGH FOR MARRIAGE, SHE IS CLAIMED BY PRE-ARRANGEMENT... THERE IS NO WEDDING-- AFFECTION AND ATTRACTION ARE NEVER CONSIDERED!

VERSATILE PLANT--

THE YUCCA BEARS FRUIT THAT CAN BE EATEN WHEN COOKED; ITS MATURE LEAVES ARE USED BY THE INDIANS TO MAKE BASKETS AND CLOTH; THE ROOTS CONTAIN A SUBSTANCE USED IN PLACE OF SOAP, AND THE WOOD IT PRODUCES HAS COMMERCIAL VALUE

THE PRINCIPLE OF ELIAS HOWE'S SEWING MACHINE CAME TO HIM *IN A DREAM*-- PLACING THE EYE IN THE NEEDLE'S POINT!

A SINGLE STARFISH-- MEASURING ABOUT 3 INCHES IN DIAMETER, IS CAPABLE OF EATING 11 ONE-YEAR-OLD OYSTERS IN A THREE-DAY PERIOD

NEXT WEEK IS LINCOLN'S BIRTHDAY, MOM.

AND OUR TEACHER SAYS WE SHOULD LEARN ALL ABOUT HIM--

HERE'S A BOOK WITH MANY STORIES ABOUT LINCOLN-- I'LL READ IT TO YOU.

ABRAHAM LINCOLN HELPED HIS FATHER BUILD THE LOG CABIN IN WHICH HE GREW UP--

"HE WAS EAGER TO LEARN, AND HE OFTEN TRUDGED MILES THROUGH THE SNOW TO BORROW BOOKS TO READ"...

WHY DIDN'T HE GO TO A LIBARY?

BECAUSE THERE WEREN'T ANY-- THE LINCOLN CABIN WAS FAR OUT IN THE COUNTRY.

IS THAT THE HOUSE HE LIVED IN?

YES--

IT LOOKS KEEN! WE SAW ONE OF THEM ONCE WHEN WE WENT FISHIN' WITH DADDY!

DO YOU THINK WE'LL EVER BE RICH ENOUGH TO LIVE IN A LOG CABIN LIKE THAT, MOM?

Send in your Toodle Twips

(any Kiddy Antic that originates around your house)

Have the Toodle Twins re-enact your favorite Kiddy Antic. Contributors will receive the original drawing of the Twip used.
